Form for statement on authorship

Article with the title:

....

....

.... is submitted to the journal *Progress* for publishing.

Authors fulfill ALL of the following conditions:

    1. Contribute to the idea, plan, data acquisition and analysis and interpretation of data;

    2. Create article or critically correct its significant intellectual content;

    3. Finally, correct the version for publishing.

    Each author is responsible for a specific part or parts of the article, its content, as well as the possible clash of interests. It is necessary to state those not fulfilling the referred criteria (with written consent) in an acknowledgment.

    Plagiarism: authors must be sure that they have written a completely original work. If they were using a work and/or words of other authors, it should be correctly quoted or stated. Since plagiarism is performed in different manners, authors agree that plagiarism in any form is unethical and unacceptable. Authors hereby declare that the article submitted to the journal *Progress* has not been plagiarized in any form.

S T A T E M E N T
